

## Priscilla's Wound Wagon is approaching at full speed...

A creative, consumer driven program has been assembled to hit the road in July 2010. This will allow many Tasmanian health care professionals to brush shoulders with Keryln Carville and learn from her experience and ingenuity.

Monday 19th sees the week kick off with a roar and the green flag in Burnie. Here we will welcome Keryln to our beautiful state and enjoy an exciting afternoon program and trade show. The Felicia Afternoon is currently being supported by a dozen trade companies. Representatives will be available to discuss their wares with eager delegates and ensure no-one goes away empty handed. Keryln will make two presentations:

### Monday 19th The Felicia Afternoon – Burnie Civic Centre

- 1310 - 1400 Acute & Chronic Wounding Problems - A Centred Approach to Healing & Management
- 1400 - 1445 Afternoon tea & trade show
- 1445 - 1650 Pathophysiology of Wound Types, Assessment & Management, leading into a practical sessions
- 1650hrs Questions to Keryln and close of the 'Felicia Afternoon'

<sup>4</sup> Keryln will present at the local chapter of the Royal College of Nursing dinner before we burn some rubber on the way to Launceston.

### Tuesday 20th starts bright and early with the Bernadette Breakfast – Launceston Boathouse

- 0700 for Keryln will present Acute & Chronic Wounding Problems - A Centred Approach to
- 0730 - 0830 Healing & Management
- 0830 - 0915 Clarissa Young will give an overview and update on contemporary approaches to pressure ulcer management
- 1000 Close

A wide selection of our trade partners will once again be available to discuss their products with delegates.

**The Priscilla Dinner Meeting in Hobart on the Thursday 22nd Hobart Hockey Centre**, evening is shaping up to be the true pinnacle of the tour. We will hear from several well respected speakers and enjoy a delicious meal served with a responsible glass of wine.

- 1700 - 1745 Registration
- 1745 - 1800 Lea Young discusses her recent innovation award
- 1800 - 1830 Dr. Mel Venn looks at the psychology of pain
- 1830 - 1945 Dinner and trade appreciation
- 1945 - 2045 Dr. Keryln Carville presents 'Confronting & Overcoming Challenges'
- 2045 - 2100 Anne Smith considers the purpose of pus
- 2100 - 2115 Juliet Scott re-caps on the recent review of the wound management standards
- 2130 Priscilla will receive the chequered flag and someone will walk away with a stunning raffle prize

Our flying finish on the Friday morning will be at the **Mitzi Breakfast Friday 23rd, Hobart Hockey Centre**

- 0700 for Keryln will present Acute & Chronic Wounding Problems - A Centred Approach to
- 0730-0830 Healing & Management
- 0900 Close

**This will be your last opportunity to appraise the excellent selection of trade wares and ensure you have had an opportunity to catch the wound wagon as it wheels past your clinical practice pit stop.**
